NARRATIVE

137 I was dispatched to Pinkards Food Mart in reference to a criminal Trespass call involving Johnny Fenn. Information was given that Johnny Fenn was a passenger in a silver Dodge Caravan possibly enroute to the Pocosin's area. I went into the Pocosins to try to make contact with the silver Dodge Caravan. I passed a silver ford Windstar Van and there was two black males inside the van. When I turned around to see if Fenn was in the van I saw the van again and it only had one passenger at this time. I followed the van to a trailer and spoke to the driver. He told me he dropped Johnny Fenn off at a residence. Sgt. Railey called on the radio and said he saw Fenn in a Red and

silver Ford SUV. Sgt. Railey followed that vehicle back out to Paran Church Road where Fenn jumped out of the vehicle and ran into the woods. We contained the area of the woods and were waiting for a K-9 unit to arrive. A short time later officer Crawley spotted Fenn again. It was later learned that Fenn confronted a resident in the area to get a ride to Troy. While they were leaving the area Fenn got out of that vehicle and got into a van that was that was parked on the side of Pocosin Road and running. Fenn got into the van and left the scene with Officer Mueller in persuit. Officer Mueller was communicating on the radio of their location. I was on Paran Church Road when I made contact with Mueller and the persuit. I was driving in the direction towards Highway 231 and Fenn and the other officers were approaching from behind me. I was in the left lane and an unknown Pike County Deputy Sheriff was in the right lane. We were blocking both lanes of traffic in an attempt to get Fenn to stop. Fenn had several

opportunites to stop. Instead he intentionally hit my vehicle in the rear bumper in an attempt to wreck my Police car. Fenn then tried to pass my car on the left. Fenn was driving on the shoulder of the road when he hit the drivers side of my car and tried to force me off the opposite side of the road. Fenn then pulled in front of my car after I slowed down. Fenn slid down the road sideways infront of my car and then hit Officer Mueller's Police car and went off the shoulder of the road hitting a mailbox. Fenn had several opportunities to stop, however, he continued to travel on U.S. Highway 231 Southbound towards Brundige. My Police Car was no longer able to continue due to the damage caused by Fenn. I was no longer in the persuit and stopped at Paron Church Road and U.S. Highway 231. Also refer to Case # 0410-0292 Suffix A+B of incident offense reports.

The driver began pointing at the passenger and at this time the passenger (Fenn) jumped out of his vehicle and started running towards County Road 5520. I followed Fenn on foot until Fenn reached the intersection of 5520 and 5518. At this time Fenn jumped into a red van that was parked on the side of the road and put the vehicle into reverse at started traveling towards me at a high rate of speed. (The owner of the van was present and yelled at her to to move to safty as I was running to avoid being hit by the vehicle driven by Fenn. When Fenn put the vehicle into drive and started coming back towards me I unholstered my weapon and pointed it at Fenn and gave loud verbal

Even though Fenn was at this time a dangerious Fleeing Felon I did not fire my weapon in fear that there might be inocent people in the van. Fenn turned right onto Cnty Road 5522 and headed towards Hwy 231. At this time I ran back to my patrol car and pursued Fenn. By this time was the second unit in the chase just behind a Brundige Police officer when Fenn saw another Brundige officer coming towards him. The Brundige officer stopped his unit and Fenn with plenty of room to go left or right around the Brundige officer, rammed the Brundige Unit head on. At this time Fenn,

commands for Fenn to stop. Fenn ignored my verbal commands and drove past me. Even though Fenn was at this time a dangerous Fleeing Felon I did not fire my weapon in fear that there might be innocent people in the van. Fenn turned right onto Cnty Road 552a and headed towards Hwy 231. At this time I ran back to my patrol car and pursued Fenn. Officer who were ahead of me advised that Fenn was now traveling South on Hwy 231. I was able to make contact with the officers and deputys in pursuit of Fenn on Hwy 231 just north of Brundige City limits. As we approached the Ammaco Gas Station on Hwy 231 Fenn made a left turn into the parking lot of the gas station and continued through the parking lot at a high rate of speed. As Fenn was pulling out of the parking lot back onto the roadway he aimed his vehicle at and Struck officer Muller's patrol car on the front driver's side. At this time Fenn continued to travel toward downtown Brundige and when he reached the intersection of mainstreet Brundige he took another left turn again at a high rate of speed traveling through the parking lot of the Pinkards Gas Station. Fenn still continued to lead officers through a residental neighborhood at high rates of speed making left and right turns causing his vehicle to come up onto two wheels on several occasions and at one point he traveled through the yards of houses to cross from on street to another. By this time was the second unit in the chase just behind a Brundige Police officer when Fenn saw another Brundige officer coming towards him. The Brundige officer stopped his unit and Fenn with plenty of room to go left or right around the Brundige officer; rammed the Brundige Unit head on. At This time Fenn,

While I was on County Rd 5518 looking for the suspect I was pulled over on the right shoulder of the road about one hundred yards off of County Rd 5520 when a blue pick-up pulled up next to my patrol car and was occupied by a white male driver and a black male passenger. The driver began pointing at the passenger and at this time the passenger (Fenn) jumped out of his vehicle and started running towards County Road 5520. I followed Fenn on foot until Fenn reached the intersection of 5520 and 5518. At this time Fenn jumped into a red van that was parked on the side of the road and put the vehicle into reverse at started traveling towards me at a high rate of speed. The owner of the van was present and yelled at her to to move to safty as I was running to avoid being hit by the vehicle driven by Fenn. NARRATIVE

137 Ofc. Hughes and myself were dispatched to Pinkards on Hwy 231 South of Troy for a trespassing call involving Johnnie Fenn. While we were en route dispatch informed us that Fenn had an active Felony warrant and that he was leaving in a silver mini van headed toward the Pocossin area. Ofc. Hughes saw the van on Smith road. When he caught up to it there was only one occupant. The driver stated he had dropped Johnnie Fenn off at an unknown residence on Smith road. As I was headed south on Smith road, Sgr Railey stated he saw Fenn in a Red/Silver Ford SUV. Sgt Railey followed the vehicle into a driveway and Fenn jumped out and ran on foot in the direction of Cactus lane into a wooded area. Sgt. Railey lost sight of Fenn and myself and other Officers began setting up a perimeter. Sgt Railey advised us that Fenn was possibly in one of three double wide trailers in the back of the trailer park. Several Pike County Deputies had arrived in the area. One of the Deputies saw Fenn sitting on a porch. Fenn then ran into a heavily wooded area at the rear of the Trailer park. Sgt. Railey advised us to spread out and advised dispatch to notify the tracking dogs. After approx. 10 minutes myself and Ofc. Crawley drove our vehicles to set up a perimeter along the Pocossin road and Parin church road. I set up at the water tower and Ofc. Crawley set up at the junk yard. After 3 to 5 minutes Ofc. Crawley called out that he was in foot pursuit of Fenn. Running down the Pocossin road toward the Parin Church Road. I got into my vehicle and drove to Ofc. Crawleys location as I arrived Fenn was getting into a red Ford Econline van. Fenn was driving directly at me and veered to my right going off the road. I called out "vehicle pursuit" over the radio as were turned onto Parin Church road. Fenn was driving back in the direction of Cactus lane. As we neared the trailer park, Ofc. Hughes and a Pike County Deputy joined in the chase. Ofc. Hughes was in front of the van, I was behind, and the Deputy was to the left attempting to box the van in. Fenn then intentionally rammed Ofc. Hughes vehicle in the rear and then ran off into the right shoulder.

NARRATIVE

Hitting a mail box. Of. Hughes regained control and he was now on Fen left with me directly behind him. As the vehicles were approaching James Sakes residence, Fen swerved hard to the left intentionally ramming Of. Hughes car in an attempt to either injury him or force him into the ditch. Fen then came back across the road and attempted to do the same to me colliding into my car. At that time Of. Hughes vehicle was disable and I was directly behind Fen as we turned south on US Hwy 231 headed toward Brundidge, Alabama. I backed off and allowed Sgt Railey to take the lead and he declared emergency traffic over the radio. Brundidge PD and the Alabama State Troopers were notified. Fenn continued south on Hwy 231, then turned left into the Chevron station on SA Graham Blvd. I cut through the intersection in an attempt to cut him off and put my vehicle at the exit, Fenn turned straight at me and rammed my patrol car again. I managed to turn my car enough so that the impact was into the rear door instead of my drivers door. I then continued the pursuit down SA Graham Blvd. to Main were Fenn turned left, Fenn then made several evasive turns into a residential area including cutting through one yard and coming out onto another street. After several turns I was back on Windmill road going around a curve when units notified that Fenn had collided head on with a BrundidgePD unit. I saw Fenn flee on foot from the vehicle, jumping a fence into a yard. I stopped my vehicle and ran around the front of the residence as Fenn was emerging from the backyard of another house. I chased Fenn for 100 yards of more and then tackled him in the middle of the road. Other Officers arrived and handcuffed him and placed him into the Patrol Unit. He was then transported to the Pike County Jail.

STATEMENT OF OFFICER JIM MUELLER

STATEMENT MADE OCTOBER 4, 2004

SGT. SONNY SCHRIEBER

CASE NUMBER 0410-0292

SCHRIEBER: It is October the 4th in the year 2004 at approximately 11:17AM. I'm located at Public Safety Building in reference to case number 0410-0292. This is a theft of property 1st degree, also assault 2nd degree x two case that occurred yesterday, October the 3rd at approximately 11:30AM. Excuse me, this started in Troy, Alabama, and, and ended in Brundidge, Alabama. In the room with me at this time is one of the victims in this case uh Officer Jim Mueller, spelling last name, M-U-E-L-L-E-R. Uh Officer Mueller, if you will, start at the beginning and tell me uh what happened yesterday with this case.

MUELLER: We were, Officer Hughes was dispatched to a trespassing call at the Pinckard Station on Highway 231 South. I was sent as a backup unit. While we were in route dispatch informed us that Johnny Fenn was the suspect. He had an active felony warrant for, I believe, it was a parole revocation and that he was getting into a silver mini-van leaving the scene heading towards the Pocosin area. We got in the area, drove to the Pocosins 'cause we had an idea about where he was going. Officer Hughes was on Smith Road when he saw the van, it was going in the opposite direction of him. He turned around, the van was coming back out at him. He followed it into the driveway that it pulled into. There was only one occupant in the vehicle at that time. He got, we got out with the driver. We asked him, he said he had dropped Fenn off at a residence down Smith Road. We got back in our cars, Sgt. Railey got there about that time. I started heading south on Smith Road, Sgt. Railey spotted a red and silver Ford SUV, possibly a Bronco II or an Explorer. It was heading back out towards Parron Church Road. He followed it and said he saw someone in the back that looked like Johnny Fenn. He followed it. It went to a driveway not far from where you turn back on Parron Church Road. When he stopped Fenn

MUELLER: jumped out of the vehicle, ran into a wooded area alongside uh Cactus Sun Trailer Park into the trailer park itself. Uh Sgt. Railey lost sight of him. The rest of us got there. We started setting up a perimeter, looking around. Uh and after about ten or fifteen minutes we hadn't seen him. Someone told Sgt. uh Sgt. Railey that uh it was possible hiding in one of the three double-wides in the back of the trailer. We went up to the one in the middle, knocked on the door, asked people inside "have you seen Johnny Fenn", they said "no, he isn't in here" and right then we heard a couple of deputies that had showed up, started hollering, we saw Fenn run behind another double-wide into a heavily wooded area down a deep gully. Uh when Fenn ran the second time we all set, started setting up a perimeter in that area. Sgt. Railey called and notified the Chief and to request a tracking dog. After about ten minutes nobody'd seen or heard anything. Myself and Officer Rah, Crawley got back in our cars. We drove down Parron Church Road. I set up at the water tower, Officer Crawley set up on Pocosin Road where that uh wooded area empties out uh where there's a large junk yard. After about three or five minutes I heard Officer Crawley yell over the radio that he was in foot pursuit of Fenn. Got in my vehicle. I drove to his location. As I was turning the corner getting in there I saw the driver's door on a red van closing. Heard Officer Crawley yelling that Fenn was in the van. It came straight at me and about I'd say an area less than ten yards it veered off to the right heading down and turning right onto Parron Church Road and back towards 231. I turned around, I yelled out that I was 10-100 in a vehicle pursuit. Got behind and followed him. As we got back towards Cactus Lane, Officer Hughes and one of the Pike County deputies joined the chase. Officer Hughes was directly in front of the van. The deputy was directly to the left of the van and I was directly behind it. Uh Fenn intentionally rammed Officer Hughes directly in the rear of his vehicle

MUELLER: knocking him kind of sideways. He went off the side of the road, ran over a mailbox then got back on the road. When he got back on the road Officer Hughes was directly to his left. I was directly behind him, in fact, he was a little behind me. Uh as we got near James Sikes' residence which is close to the intersection of 231 and Pocosin Road Fenn intentionally rammed directly into the side of Officer Hughes. Uh either trying to hurt him or knock him into the ditch. When they came back on the road Fenn creamed, completely back over to the other side of the road and hit me in my front end. Uh at that time Officer Hughes says his vehicle is out of commission. I was now directly behind Fenn as we turned south onto 231. Uh after a couple of hundred yards I backed off and let Sgt. Railey get the lead 'cause I didn't know how bad my car was damaged. We continued south to Brundidge. There was a number of Pike County and Troy PD units in pursuit now. Sgt. Railey declared emergency traffic only. We notified Brundidge PD and we notified the State Troopers. As we got into the Brundidge City Limits, we headed towards S. A. Graham Boulevard and we neared the uh gas station, the one on the north side of the intersection of S. A. Graham and 231. Then shot over into the gas station, cut through the parking lot. Several of the vehicles went with him. I cut through the intersection, came out on the S. A. Graham side of the parking lot and as Ben came, Fenn came through, I looked out my door and he looked straight at me and came full speed and when I realized he wasn't turning I kind of gunned it and turned my car a little bit off to the right. He, instead of hit, hitting me directly in my driver's door he hit me in my driver's side rear door and then bounced off my vehicle and started heading down S. A. Graham. I was still in pursuit but I was about third or forth vehicle now. We went down S. A. Graham Boulevard to Main Street, turned left on Main Street. Went down a little ways and then we started going into a uh

MUELLER: residential area and I was not familiar with the streets. Made two or three turns uh hit a dead end, went through a lady's uh went through a house's yard. Went to a road at another on the other side of that yard, turned back down and made one or two other turns and then I was pretty much towards the end of the pack then and they said he was, turned on Windmill Road and right as I was turning on that road they said that he had collided head on with a Brundidge Police unit. As I turned on Windmill Road I could see Fenn jumping out of his vehicle and running, jumping over a chain-link fence and into another yard. I got up there, stopped my car, ran out, ran around the front of the house and as I was coming up the front of the house Fenn was coming out of a, I don't know if it was the same back yard but another one, but he jumped over a fence. I chased him for about a hundred yards and then he slowed down and then I tackled him in the middle of the road and a deputy and another officer arrived and handcuffed him, picked him up and put him in the back of a Pike County car and then that was pretty much it.

SCHRIEBER: Okay, let's back up now to the point that uh first of all, you said you saw him getting into a red Ford Econoline van?

MUELLER: Yes, I did.

SCHRIEBER: Okay and saw him drive off with it?

MUELLER: Yes, I did.

SCHRIEBER: All right then, did you find out at some point uh at that time or some point afterwards that was not his van and he had no right to that van?

MUELLER: He was on foot as we were chasing him.

SCHRIEBER: Uh huh.

MUELLER: All right, when he came at me the first time when we turned, right before we turned on Parron Church Road, before I declared high-speed pursuit, right after we made that turn, it was right before Cactus Lane, I remember Officer Crawley saying he had stolen, he said he 10-40'd that van, in other words he had stolen it.

SCHRIEBER: Okay.

MUELLER: Officer Crawley was talking with the lady on the side of the road and she said "he jumped in my van and took it".

SCHRIEBER: Okay, all right, so you knew at that point then that, that he was wanted on a, a parole violation warrant, a probation violation, something along that ways, felony warrant, and then he had stolen a van?

MUELLER: Yes.

SCHRIEBER: Okay, so you had two felonies that you were pursuing him for at that particular time. Now you saw him hit Officer Hughes' car from the rear?

MUELLER: The first time.

SCHRIEBER: The first time and in your opinion and I know you already said this but let me, let me stress it, in you opinion, did he have other options, could he have stopped or gone to the right, left, could he have done anything else other than hit Officer Hughes' car?

MUELLER: He could have given up, he could have stopped, he could have veered to the right, got on the shoulder, but he intentionally rammed Officer Hughes' unit.

SCHRIEBER: So he did it intentionally?

MUELLER: Yes.

SCHRIEBER: Okay and then he hit it again on the driver's side, right?

MUELLER: Yes.

SCHRIEBER: On Officer Hughes' car, again, and I'll ask you, was that in, do, in your opinion, a deliberate act?

MUELLER: He, he pushed Mike all the way to where his passenger-side tires were the only thing on the road, in other words, Mike was almost completely in the ditch when they broke apart and that's when he came over and hit me again.

SCHRIEBER: Okay, now when he hit you that first time, do you think that's a, was an intentional act or as a result of being tangled up with Officer Hughes' car?

MUELLER: It, it's, I really think it's a possibility it may have been uh result of him being tangled up with Officer Hughes' car.

SCHRIEBER: Okay but then y'all go on down the road to Brundidge and you say that he goes through the parking lot of the gas station.

MUELLER: And I had stopped my vehicle.

SCHRIEBER: And you were stopped in the roadway?

MUELLER: And I was stopped uh I was, I was damn near completely stopped and he came directly at me.

SCHRIEBER: Okay, 'cause and one, I mean, he came out of the gas station into the roadway and, and more or less what they call T-boned your car?

MUELLER: Yes.

SCHRIEBER: Okay.

MUELLER: He, he would have T-boned me directly in my driver's door, directly where I was sitting but when I saw he wasn't turning I gunned it and veered to the right and that's when he hit the passenger door.

SCHRIEBER: Okay.

MUELLER: Otherwise the

SCHRIEBER: And at that point did you have the driveway blocked or could he have chickened out and turned?

MUELLER: I, it's a very large driveway, he could have, you know, veered up hard, higher and gone up close to where the Subway was.

SCHRIEBER: Okay.

MUELLER: But he made a "bee-line" directly for my unit.

SCHRIEBER: Okay and you feel like he was con, in control of that van at that time?

MUELLER: He was definitely in control of that van.

SCHRIEBER: Okay, all right, now you stated that this was Johnny Fenn that y'all were chasing and had gone after. I'm gonna show you a, a picture now of driver's license photograph of Johnny Cephus Fis, Fenn, Jr., excuse me, is that the man you're calling Johnny Fenn?

MUELLER: That is the same person, his hair is cut shorter and it's a little neater right now.

SCHRIEBER: Okay, but that is the person that you guys chased?

MUELLER: That's the same person.

SCHRIEBER: The person that you saw steal the van. The person that you saw ram two if not three police cars. Is that correct?

MUELLER: Yes.

SCHRIEBER: And that's the person you took into custody?

MUELLER: That's the person I tackled in the middle of the road.

SCHRIEBER: Okay, uh anything that I have not asked you that you feel like you need to tell me?

MUELLER: No sir.

SCHRIEBER: All right, end of statement at 11:28AM.

STATEMENT OF OFFICER MIKE HUGHES

STATEMENT MADE OCTOBER 4, 2004

SGT. SONNY SCHRIEBER

CASE NUMBER 0410-0292

SCHRIEBER: It is October the 4th in the year 2004 at approximately 11:44AM. I'm located at Public Safety Building reference case number 0410-0292. This is a theft of property 1st degree and also assault 2nd degree x 2 uh that occurred yesterday on October the 3rd at approximately 1:30AM. In the room with me at this time is a witness to the theft 1st and also a victim of the assault 2nd, Officer Mike Hughes, spelling last name, H-U-G-H-E-S. Uh now, Officer Hughes, if you will, start from the beginning and tell me what happened yesterday.

HUGHES: Okay, I was, I was dispatched to Pinckard's Food Mart on Highway 231 South. It was in reference to a criminal mischief 3rd degree that uh was involving a Johnny Fenn, Jr. Uh they gave a description of the vehicle he was supposed to be a passenger in and said that he was possibly headed to the Pocosin area where he spends a lot of time. Uh I got down, I was in town so it took me a little while to get there, and he had enough time to make it to the Pocosins by the time I got

SCHRIEBER: Let me interrupt you real quick. At the time they gave out the call, well, from the time they gave out 'til the time you got there did they indicate to you whether or not he was wanted for anything?

HUGHES: At first they didn't other than the criminal mischief but be, while I was in route they called back and said that Pike County did have felony warrants

SCHRIBER: Okay.

HUGHES: ~~on this subject, the uh Fenn subject. Uh I went, I went on down to the Pocosin~~ area first just to see if I could locate the vehicle. Uh they described the vehicle as a silver Dodge Caravan. Uh as I was leaving I went all the way through the Pocosins down to the end of Smith Street and uh on my way back out, I didn't have any contact with him on the way in, on way back out I met a silver van, it was a Ford Windstar, and it had two people in the van. Uh I turned around to go see if Fenn was possibly in this van 'cause the descriptions were pretty close. As I turned around I met the van coming back out and it just had the driver in it at this time. I followed the driver to a trailer up there and talked with him. It was not Fenn. He did tell me that he did drop Fenn off on Smith Street. At that time, by this time Officer Mueller, my backup, and Sgt. Railey were there with me. They arrived at my location just minutes after I did and uh so myself and Officer Mueller headed back to Smith Street to see if we could make contact with Fenn. Uh we saw a black male out that matched the description of Fenn and we got out and ID'd him and it was not him. At this time Sgt. Railey said that he saw a red and silver Ford SUV-type vehicle, it may have been an Explorer, come by him and he recognized Fenn to be in the backseat. So we started to get to his, toward his location which they went out back out to the Parron Church Road and that's when the vehicle, well, the Ford Explorer SUV-type vehicle, went across Parron Church Road into a little area where there was three or four trailers. Before the vehicle got stopped Fenn exited the back and hit the woods, took off running. Uh we were unable to get close enough to him at that time to catch him so we got a perimeter set up and uh trying to locate him and to just make sure we had him contained. Uh Sgt. Railey talked with uh Chief Everage on the phone in reference about getting canine tracking dog out. Uh at that time he says that there would one, one would be on the way and just to maintain a perimeter and, and

HUGHES: keep him contained the best we could. Uh later on while we waiting on the canine unit Sgt. Railey had some information, I don't know where he got it from, that, that Fenn was hiding out at a trailer on Cactus Drive, which is nearby where he went into the woods at. We changed our location and went to this trailer. We uh were talking to some, some children that were at the trailer and uh at this time the Sheriff's Department, two units of the Pike County Sheriff's Department showed up and chased, well, at the time didn't know, what, who they what they were running for but they were, chased Fenn. They, they located him in a trailer next to the one that we were at and chased him back into the woods. Uh so we had some other units go around the Pocosin area looking for him at this time, again. Uh I believe Officer Crawley was on Pocosin Road and spotted Fenn getting out of a truck. It was later learned that he had asked this person to give him a ride to Troy and when he met Officer Crawley coming down the road, when the two vehicles met, the police car and the truck that they were in, he started ducking down into the floorboard trying to hide. The man driving the truck realized something was going on and stopped and told Fenn to get out of the truck. He did at this time and it became another foot pursuit between Officer Crawley and Fenn. Fenn ran up to a, a van and uh that was running, unlocked. He got into the van and left. Officer Mueller was in the area on his police car and that started a vehicle pursuit. They traveled from Pocosin Road to Parron Church Road, took a right on Parron Church Road and was heading out towards 231. Myself and Deputy Price were at Cactus Drive and they were able, they communicated over the radio and said they were headed in our direction so we were trying to block him in by blocking both lanes. We were, we were traveling at approximately forty miles an hour.

SCHRIEBER: What you would call a running roadblock?

HUGHES: That's, that's correct.

SCHRIEBER: Uh huh.

HUGHES: 'Cause we could see him coming down the road and, you know, we're trying to slow him down the best we could. At this point in time the van that Fenn was driving tried to get around the deputy on the shoulder of the road, on the right-hand side of the road, I was on the left-hand side. Uh he hit two mailboxes in a ditch in an attempt to get around the deputy. That didn't work so he got back behind both myself and Deputy Price and he came up to my vehicle and, and hit me in the back, rammed me intentionally trying to, trying to knock me off the road, trying to get by. At this time he went to my left, went off the shoulder of the road and came up and, and scrapped my vehicle just, we made contact for a good ways, he was trying to pass me and get away. He swerved over trying to push me off the road with his van, with the van and uh I slowed down, it was a dangerous situation, I slowed down. He got in front of me. At that point my vehicle hit the side of his vehicle and pushed him down the front uh Parron Church Road for maybe fifty feet, I, I, I suppose. At the speed we were going it didn't take long to, to reach that distance. At this time Deputy Price, I don't know if he just stopped or what but Officer Mueller came up and was beside me while we were going down it while the van was being pushed down the road. He, when I let off he went across the road and struck Officer Mueller's police car and then at this point in time I discovered my police car was disabled and I could not go any further

HUGHES: ~~and that's where, we were at the intersection of Parron Church Road and 231.~~

SCHRIEBER: Okay, at that point, first of all, he came up behind you, you said you were doing a running roadblock so you were, you were actually, your vehicles, you and the deputy's were actually traveling in same direction

HUGHES: Same direction.

SCHRIEBER: that he was traveling, he came up behind you?

HUGHES: That's correct.

SCHRIEBER: And he hit his uh the front bumper of the van he was driving to the rear bumper of your patrol car?

HUGHES: That's correct.

SCHRIEBER: Hit it intentionally?

HUGHES: Right.

SCHREIBER: He had room to stop, is that correct?

HUGHES: Yeah, he had plenty of opportunity to stop, you know, we were, we were trying to slow down and get him stopped uh he had ample opportunity to do so, it was obvious what we were trying to do, get him stopped, and he, it was obvious what he was trying to do, was to get away and he intentionally rammed by police car.

SCHRIEBER: And then he attempted to pass you on the left-hand side?

HUGHES: That's correct.

SCHRIEBER: And again, evidently, veered to the right into the driver's side of your patrol car.

HUGHES: That's right.

SCHRIEBER: And, and made contact with your patrol car up and down the whole driver's side, is that correct?

HUGHES: The entire car is, is scarred from the van.

SCHRIEBER: Okay and again, I ask you uh do you think he did that intentionally trying to move you out of the way so he can get through?

HUGHES: Yes sir, I do.

SCHRIEBER: Okay, uh the, did you ever actually make con, eye contact or, or see the person in the van?

HUGHES: I did.

SCHRIEBER: Okay and you were given information that y'all were looking for Johnny Fenn and that Johnny Fenn was wanted on felony warrants by the Sheriff's Department here in Pike County, correct?

HUGHES: That's correct.

SCHRIEBER: All right, I'm gonna show you a driver's license photo that's labe, labeled Johnny Cephus Fenn, Jr., is this photo, does that look like the individual that you saw driving that van?

HUGHES: Yes, it does, that is him, that also is posted on our bulletin board and it's been up for a while because he was wanted and we're familiar with this individual.

SCHRIEBER: Okay and you have no doubt that's him that was driving the van that struck your vehicle

HUGHES: Uh uh.

SCHRIEBER: on two separate occasions?

HUGHES: That's correct.

SCHRIEBER: Okay, at the point that he left your vehicle the second time you say he got in front of you and kind of y'all kind of pushed him down the road for a minute and then he broke loose and he struck Officer Mueller's car, now in your opinion, him striking Officer Mueller's car, was that a uh direct, deliberate act by him or could it have been a result of the impact with your vehicle?

HUGHES: I believe it was a result of mine 'cause our impact of our vehicles were pos, possibly locked together is why we were, when he tried to go in front of me we had contact and when they broke loose he was out of control and Officer Mueller was in a, in a position to where I don't think he could have avoided hitting him at that point.

SCHRIEBER: Okay, were you injured in any way?

HUGHES: No, I was not.

SCHRIEBER: Uh bumps, bruises, anything like that?

HUGHES: No, I wasn't.

SCHRIEBER: Okay, all right, all right, anything else that I haven't asked you that you feel like I need to know about?

HUGHES: Just at that point uh my car was disabled, Officer Railey, Officer Crawley and Officer Mueller intended to pursue him down 231 South in direction of Brundidge and that's the last contact I had with him.

SCHRIEBER: Okay, end of statement at 11:55AM.

CASE HISTORY AND OFFICER'S NOTES
OCTOBER 04, 2004
CASE # 0410-0292
THEFT OF PROPERTY 1ST, ASSAULT 2ND (X2)
VICTIMS: DE'ANN BROWN, MIKE HUGHES, JIM MUELLER

On October 03, 2004 at approx. 10:53am Officer were dispatched to a reported Criminal Trespass at Pinkard's Food Mart located on U.S. Hwy 231 south of Troy. It was reported that Johnnie Fenn was at that location on a silver Dodge van. He had been previously warned to stay off that property. While the Officer's were en route they were informed by Dispatch that the Pike County S.O. held active Felony warrants on Johnnie Fenn for Probation Violation. Upon Officers arrival they learned that the vehicle with Fenn inside had left the area headed toward the area of the Pocosins. They then went into that area looking for Fenn. Officer Hughes spotted that van occupied by 1 B/M. He effected a traffic stop and found that the driver had let Fenn out near a mobile home. Sgt. Railey then spotted Fenn inside a Ford SUV near that area. When Fenn spotted the Officers he exited the van and ran into a wooded area. Officer's attempted to set up a perimeter and call tracking dogs in. Ofc. Crawley then spotted Fenn running on the Pocosin road. He saw Fenn run and get inside a Ford Econoline Van. The van was stopped in a yard and the occupants were standing outside of it. The owner of the van, De'Ann Brown was standing there when she saw Fenn running toward her with Police in pursuit. He is familiar with Fenn as she is related to him through marriage. She attempted to prevent Fenn from getting into her van but was unable to do so. He got into the van and drove off at a high rate of speed. Several Officers were in pursuit. Ofc. Mike Hughes and a Deputy were in the area and wound up in front of the chase. They attempted to set up a "running road block" were they position their cars side by side and drive at a slow speed blocking the road in an attempt to slow down and eventually stop the pursuit. As the pursuit was approaching Ofc. Hughe's position Fenn did not slow down, instead he intentionally drove the van into the rear of Ofc. Hughes car. Fenn then tried to get around the Police cars by driving off the roadway. He struck several mailboxes before getting back on the roadway. He then drove his van off the left side of the road and attempted to pass Ofc. Hughes that way. When he got beside Ofc. Hughes car he turned to the right and intentionally struck Ofc. Hughes police car again. He hit it on the left rear quarter and continued hitting it up the drivers side to the front bumper. Ofc. Hughes car was disabled by this action. Ofc. Hughes also received some minor bumps and bruises but did not require treatment. After striking Ofc. Hughes car this time Fenn may have lost control of the van and it then struck Ofc. Mueller's Police car on the left front fender. The chase then continued onto Hwy 231 southbound toward Brundidge Alabama. According to Officers the chased went into Brundidge and Fenn attempted to cut through a gas station parking lot at the intersection of US Hwy 231 and S.A.Graham Blvd. Ofc. Mueller positioned his car at the exit of the gas station on S.A. Graham Blvd. Fenn had plenty of time to stop or to go around Ofc. Muellers car on the left or right side. Instead he intentionally drove straight into the drivers side rear door of Ofc. Muellers car in an attempt to injure Ofc. Mueller and/or disable his car. The chase then continued through the streets of Brundidge. At one point Fenn reached a dead end street and drove through someones yard onto another street. The chase continued onto Windmill street and Brundidge Police Officer King positioned his car at the exit to the street. He entered the street and saw the chase coming toward him. He stopped his Police car. Officers stated that Fenn never slowed the van and instead drove head on into Ofc. King's car. This disabled Ofc. Kings car and caused him minor injuries for which he was treated at Edge Hospital for. This also disabled the stolen van. Fenn then exited the van and fled on foot into a residential area. After a brief foot chase Ofc. Mueller was able to catch the suspect. He was then handcuffed and placed into a Sheriff's deputy's car. As they were putting him into the car he became combative again. He was handcuffed but his legs were still no inside the car. He began kicking at Officers in an attempt to resist and possibly injure them. Ofc. Crawley then opened the rear door on the other side. After giving Fenn a verbal warning to cease his resistance Ofc. Crawley employed the use of O.C. Pepper spray. At that time Fenn ceased resisting and was taken to the Pike County Jail without further incident.

After getting approval from the Pike County D.A.'s office warrants were signed on Fenn for Theft of Property 1st for the theft of the van. Officer's also signed 2 warrants on him for Assault 2nd. This was a result of intentionally "ramming" the 2 Troy Police cars. After everything was over the owner of the van found that she had approx. $600.00 cash missing from her purse which was in the van at the time of the theft.

After the warrants were signed myself and Ofc. Mueller went to the Pike County Jail in an attempt to get a statement from Fenn and serve the warrants on him. He saw us and became very belligerent and disorderly. He told us to "fuck off" and refused to come with us. We then left him alone. I returned a short time later in an attempt to just serve the warrants on him. As I drove up to the Jail I noticed Deputy Price escorting Fenn to the courthouse. I drove up to them and informed him he was under arrest for 1 count of Theft 1st and 2 counts of Assault 2nd. I then gave him his copies of the warrants. His response was "fuck you"!

This case is closed pending Court action.

STATEMENT OF SGT. CHUCK RAILEY

STATEMENT MADE OCTOBER 4, 2004

SGT. SONNY SCHRIEBER

CASE NUMBER 0410-0292

SCHRIEBER: It's October the 4th in the year 2004 at approximately 10:04AM. I'm located at Public Safety Building reference case number 0410-0292. This is a theft of property 1st degree also an assault 2nd degree x two that occurred uh yesterday uh October the 3rd at approximately 11:30AM uh here in Troy and ended up in Brundidge. In the room with me at this time is one of the officers that was involved in this case and also witnessed this case, Sgt. Chuck Railey, spelling last name, R-A-I-L-E-Y. Now Sgt., if you will, tell me from the very beginning of the first call you got, just start from there and go on through and tell me everything that happened as best you can remember.

RAILEY: The first call that we got yesterday on October the 3rd was a criminal trespassing call at Pinckard's Convenience Food Mart on 231 South involving a black male named Johnny Fenn. At that time Officer Hughes and Officer Mueller were dispatched to that location to try to make contact with Mr. Fenn. When we arrived down there he had already left. We had prior knowledge that this subject lived in the area of the Pocosins off of Parron Church Road, in that area, not exactly sure which house.

SCHRIEBER: Let me interrupt you real quick. Did you have any knowledge of any wants or warrants against Johnny Fenn?

RAILEY: Yes sir, we did, we had a knowledge of a felony probation violation warrant against Mr. Fenn to pick him up and arrest him on it.

~~SCHRIEBER: And Pike County Sheriff's Department had that warrant?~~

RAILEY: Yes sir, they did.

SCHRIEBER: Okay, go ahead.

RAILEY: Uh Officer Hughes was riding through the trailer park and that a van matching the description that had been originally given out was occupied by two black males. He lost contact with it. When he found the van again it was only occupied by one black male. That subject advised us that he had dropped Mr. Fenn off at a residence on Smith Road in the Pocosins. Officer Mueller and uh Officer Hughes went to that location to try to make contact with him. I saw another vehicle leaving that area and followed it and at that time Fenn jumped out of that vehicle and ran behind another residence and I lost contact with him. We stayed in the area for several minutes, you know, trying to locate the subject. Uh got a phone call stating that he could have been in a trailer on Cactus Drive. We went to that trailer. Didn't make contact with him there. A Pike County Sheriff's Deputy uh Tommy Price, advised that he had seen the subject while we were at that trailer but he had run from behind another trailer that we were close to, into the woods. We pulled the officers out, tried to set up a perimeter and a call for tracking dogs to see if we could locate Mr. Fenn. At that time Officer Ben Crawley had taken his unit and gone around toward the uh Pocosin Road, in that area, to help set up a containment perimeter and at this time the subject had already gone all the way through the woods over into that area but we weren't, we didn't know about it at that time but Officer Crawley's and his unit on the Pocosin

RAILEY: ~~Road. A subject pulled up beside him and motioned that he had a male, man in~~ the truck with him and at that time it was Fenn. He exited that pickup truck and ran again. He ran down the road toward a red Ford Econoline van and I think there were some subjects parking beside the road down there. He jumped into this van and took it without their permission. At this time the Officer Crawley advised on the radio that he had witnessed the subject stealing this van and was leaving on it and that he was in pursuit. Uh Officer Crawley advised that Fenn preceded up Pocosin Road and took a right-hand turn onto Parron Church Road that was gonna take him back out toward 231. That's where I was located. Officer Mueller was located in that area. Two Sheriff's Deputies, I believe it was Sam Mallory and Tommy Price, were in that area and also Officer Mike Hughes. Uh I met Fenn on the roadway, tried to get him to stop. He went around my vehicle. I turned around and we called out a 10-100 pursuit. Officer Mueller passed by me and we started up Parron Church Road headed in the direction of 231. This is where Officer Hughes, Deputy Price and Deputy Mallory were located. In an effort to try to get uh Fenn to stop Officer Hughes and Deputy Price set up a rolling roadblock. They just put both of their units and tried to get the subject to stop in the road.

SCHRIEBER: So they were driving side by side?

RAILEY: Yes sir.

SCHRIEBER: In front of this subject vehicle?

RAILEY: Yes sir.

SCHRIEBER: In the same direction?

RAILEY: Yes sir.

SCHRIEBER: Okay.

RAILEY: But uh Fenn refused to stop. At this time he rammed the rear bumper of Officer Hughes' patrol car trying to force them out of the way.

SCHRIEBER: Well, what, what kind of speeds were y'all at at this time, do you know?

RAILEY: I would say anywhere from thirty-five to forty-five miles an hour.

SCHRIEBER: Okay.

RAILEY: Uh when Fenn struck Officer Hughes' car trying to push it off the road Fenn's car went off to the left-hand side of the road, correction, he went off the right-hand side of the road, struck somebody's mailbox, came back up onto the road and then he uh got to the driver's side of Officer Hughes' patrol car. I think he goes up the side of the car scrapping it trying to push Officer Hughes off the road again. He gets his van around in front of Officer Hughes' car

RAILEY: because getting back upon the road doing serious damage to Officer Hughes' car and disabling his patrol unit. At this time Fenn's van spins out of control and hits Officer Mueller's car. He gets the van straightened back up and he precedes on Parron Church Road into the ditch and up 231.

SCHRIEBER: Okay, let me interrupt you again. Now back up just a little bit. When he come up behind Officer Hughes' car, when he rammed it from behind, so his front bumper to Officer Hughes' back

RAILEY: Back bumper.

SCHRIEBER: Okay, now, in your opinion, at this time is this particular contact uh was Johnny Fenn in control of the van?

RAILEY: He was. He knew what he was doing because it was an intentional effort to knock Officer Hughes out of the roadway, disable him and then possibly endanger his life if Officer Hughes goes into the ditch he's gonna wreck his car and he's trying to push him out of the way, intentionally get him out of the way so he can leave.

SCHRIEBER: Okay and you say at that point uh the van left the roadway, got back on the roadway and then come up beside Officer Hughes' car?

RAILEY: Uh, well, then the passenger side of the van, see the driver-side officer, he had to slow up.

SCHRIEBER: Okay and then preceded to ram the car again?

RAILEY: Yes sir.

SCHRIEBER: Uh, uh again, I ask you, in your opinion, was Mr. Fenn in control of the van when this occurred?

RAILEY: He was, it was from my vantage point which I was one car behind Officer Hughes when he, this was an intentional effort to push him off of the roadway and do bodily harm.

SCHRIEBER: Okay, all right, so then you said Officer Hughes was eventually forced off the roadway disabling his vehicle?

RAILEY: Yes.

SCHRIEBER: Okay, go ahead then.

RAILEY: Uh Officer Hughes pulled to the side, the other patrolmen just preceded on. At this time uh Officer Mueller is behind Mr. Fenn. He had significant damage to his car uh but he

RAILEY: was still able to continue into the pursuit. We turned out onto 231. He driven, Fenn recklessly pulled out in the front of traffic and disregard the human life, he was just, you know, making his best effort to get away. He turned south and starts headed toward Brundidge, Alabama. At this time I pass Officer Hughes uh Officer Mueller, excuse me, and uh I'm the primary unit behind Mr. Fenn. Uh we reached speeds on 231, eighty-five, ninety miles an hour headed in the direction of Brundidge, Alabama, which was approximately seven or eight miles, I think that we had to travel before we got there.

SCHRIEBER: Okay.

RAILEY: Uh

SCHRIEBER: But you got to alert Brundidge that you were coming?

RAILEY: We did, our dispatcher had already been on the phone contacting them and trying to get an effort set up for Brundidge unit to make the effort to terminate the pursuit. Uh we traveled all the way to Brundidge and approached the main intersection of US231 and Highway 10 in Brundidge. Fenn, before he reaches the intersection he cuts across the median at a paved cut-off and preceded into the parking lot of the Amoco Station at the intersection of 231 and 10, recklessly drives through the parking lot, in front of the gas pumps and back out onto S. A. Graham Boulevard. At this time the other units that were still involved in the chase were myself, the Sheriff's Deputies and Officer Mueller and now a Brundidge unit uh when Fenn exited the

~~RAILEY: parking lot he intentionally rammed Officer Mueller's car, striking it in the rear~~ driver's side door, doing more damage to his unit and another effort to run him off the road and to knock him out of the chase. Uh at that time the uh Highway 10 or S. A. Graham Boulevard in Brundidge we precede through town to the Main Street in Brundidge at the intersection of Brundidge and uh Main Street and S. A. Graham Boulevard. Fenn takes a left turn through the parking lot of the gas station at that location and at this time he's headed back in the direction of either 231 or Banks depending on which road he takes. He goes straight across the intersection there at the IGA and precedes onto Galloway Road which is in, now we're in Brundidge, Alabama, and uh I'm not real sure how far we traveled down Galloway Road. Fenn at that time took a left turn onto I believe what may have been Hill Street in Brundidge which is a dead-end. He goes to the top of the hill at the dead-end and uh has no where to go so he takes a left turn and he cuts through the yard of two residences onto another paved road. I'm not sure of the name of that street. He precedes down that street back onto Galloway Road headed back into the direction of Brun, into the City of Brundidge. He uh while traveling back toward Brundidge he reached speed again probably in excess at this time of seventy, eighty, possibly eighty-five miles an hour uh he takes a right turn onto what I believe may have been Windmill Street. We precede on Windmill Street back at the direction of what is known as Business 231 in Brundidge, Alabama, and we top a hill. At this time a Brundidge Police unit occupied by Officer King turns off of Business 231 onto Windmill Street where uh it I would say a couple of hundred yards to spare that Fenn can see him. Officer King turns his unit onto the street headed into the direction of uh Fenn. Uh the officer stopped his unit in the middle of the street in an effort of try to get Fenn to stop. Fenn made no effort to go to the left or to the right to go around his vehicle. He

RAILEY: just rammed this police unit head-on, I think in an effort to cause more bodily harm to the officer. Uh the cars collided doing significant damage disabling both vehicles. At this time Fenn is physically able to exit his vehicle. He runs across the street into the yard of a residence. Myself, Officer Ben Crawley and Deputy Tommy Price leave in our units and get in foot pursuit of the subject. He runs behind this house, jumps approximately two fences and runs across a vacant lot into the direction of Old Business or Business 231 in Brundidge and at that time that's where he surrendered and was taken into custody by officers.

SCHRIEBER: Okay, now backtrack just a little bit. After he struck Officer Hughes' car he came back and he struck Officer Mueller's car the first time.

RAILEY: The first time.

SCHRIEBER: Okay, now that, do you know if, if that was a result of him intentionally striking Officer Mueller's car or was that trying to regain or had loss control of his vehicle uh from hitting Officer Hughes' car? What would be your opinion on that?

RAILEY: I think it was a still in a continuos effort to try to get away. He was making whatever effort he could so I would think it was an intentional effort to knock another unit out of the chase.

SCHRIEBER: Okay and then you stated uh in Brundidge after he exited the parking lot of the Amoco Station he again struck Officer Mueller's car and you stated at that time without question that was intentional. Uh what, tell me about that a little more in detail.

RAILEY: From my vantage point he made no effort to turn. He saw Officer Mueller coming up the road which Officer Mueller was gonna to try to cut him off. Fenn, at that time, he could have turned left, he could have turned right, he could have made an effort to miss Officer Mueller's patrol unit and he made no such effort. He intentionally tried to ram Officer Mueller, I think, and knock him in, into the curb or into the business district of Montgom of, of Brundidge across the road uh 'cause he made no effort to turn.

SCHRIEBER: So he had plenty of room to maneuver. He could have stopped?

RAILEY: He could (unintelligible).

SCHRIEBER: (Unintelligible), okay, all right, and then after that when he struck Officer King's car there in Brundidge. You stated Officer King turned onto that road then stopped. So his car was actually at a standstill.

RAILEY: Yes, it was.

SCHRIEBER: At the time it was struck and then and the way you explained it, correct me if I'm

SCHRIEBER: wrong, even, even for several seconds if not longer uh before the impact?

RAILEY: Yes sir.

SCHRIEBER: Okay, so you stated that he had about a couple of hundred yards between the two vehicles.

RAILEY: But when he first, when he first should have seen Officer King's car uh Officer King was turning onto Windmill Street and then Fenn, you know, there was nothing blocking or obstructing his view. He, you know, he saw this car. When Officer King turned his unit onto Windmill Street. I don't know, he may have come fifty or seventy-five yards down onto Windmill Street and stopped his unit. At this time we were coming down a hill which a clear point of view to see this uh Fenn saw his car and he had, I believe, ample room, he could have gone to the left, he could have gone to the right, or he could have stopped and he made no such effort. He just rammed the car head-on.

SCHREIBER: You saw him make no effort to stop his van, the van he was driving at all?

RAILEY: No sir.

SCHRIEBER: At about what speed would you estimate that he hit Officer King's car, would you have any idea?

RAILEY: I would think he probably was doing better than fifty miles an hour.

SCHRIEBER: All right and, and Johnny Fenn was able to exit the vehicle and run?

RAILEY: Yes sir.

SCHRIEBER: Do you know if Johnny Fenn received any injuries whatsoever?

RAILEY: I asked Mr. Fenn at the scene if he needed medical attention, he advised he did not. He did not have any injuries. I didn't see any cuts or anything that would have indicated that he was injured.

SCHRIEBER: Do you know if any officers received any injuries at all?

RAILEY: Officer King I know had some swelling to his right hand and wrist area. He had several cuts and scratches on him. Uh I know he did go to the hospital but if he had any other injuries I don't know about those. Uh the only other officers uh Officer Mueller received a scratch to his elbow and uh Officer Hughes, I'm not sure.

SCHRIEBER: Okay, no uh nothing required, as far as Officer Hughes and Officer Mueller nothing was required, required any medical attention that you're aware of?

RAILEY: No sir.

SCHRIEBER: Okay, mainly bumps, bruises and scratches, would that be correct?

RAILEY: Yes sir.

SCHRIEBER: Okay, all right, now you had stated that uh this was Johnny Fenn that you were chase, y'all were chasing and I'm gonna show you a picture here and tell me if that's Johnny Fenn, the same person we're talking about.

RAILEY: Yes, it is.

SCHRIEBER: Okay, so that is without question the person that you got through chasing yesterday, the person that officers saw steal a van and, excuse me, the person that rammed three patrol cars?

RAILEY: Yes sir, it is.

SCHRIEBER: Okay and you are in the fact the Sgt. in command during all this yesterday, is that correct?

RAILEY: Yes sir, I was.

SCHRIEBER: Okay, so you were involved in it and you were able to monitor and, and keep tabs on everything because you were in charge of how things went?

RAILEY: Yes sir.

SCHRIEBER: Okay and without a doubt uh everything you told me is true and correct?

RAILEY: Yes sir.

SCHRIEBER: All right, anything that you want to add that I have not asked you?

RAILEY: No sir.

SCHRIEBER: All right, end of statement at 10:23AM.

STATEMENT OF BEN CRAWLEY

Statement taken on October 18, 2004

Sgt. Sonny Schrieber
CN0410-0292

SCHRIEBER: It is October the 18th, in the year 2004, at approximately 1:14 p.m. I'm located at the public safety building in reference CN0410-0292. This is an incident that occurred on October 3rd of this year. It's a theft of property in the first degree and also two counts of assault second in the, in the assault in the 2nd degree. In the room with me at this time is a witness to these events, Officer Ben Crawley, spelling last name C-r-a-w-l-e-y. Uh Officer Crawley, if you will, uh start at the beginning and tell me what you know and what you saw during this incident.

CRAWLEY: On October 3rd, two officers were dispatched to Pinckard's on Highway 231 South in reference to Johnny Fenn was on the premises and was not supposed to be. While in route to the gas station the officers were notified that Johnny Fenn had already left the scene and was possibly heading to the Pecosin Road at his place (unintelligible). The officers went to the Pecosin area and while down in the Pecosin area Sgt. Railey saw the subject and chased, had a big foot chase with him on foot. Chased him on foot but (unintelligible). During that time I responded down to the Pecosin area just off of Paran Church Road to assist with the search of Johnny Fenn. While we were down there and we were searching around some trailers, just off of Paran Church Road, when a Pike County Sheriff's Deputy, a guy named Tommy Price pulled up, got next to where we were and said he just saw Johnny Fenn running into the woods behind the trailer. Ran into the woods, uh I probably went in the woods approximately about a hundred yards (unintelligible) locate Johnny Fenn when Sgt. Railey radioed us and told us to come out of the woods cause he was going to call for the tracking dogs. So I came out of the woods and told Sgt. Railey I was about to go ride the perimeter around the area on the road in case he come out of the woods. While I was on this perimeter I turned on the Pecosin Road and I parked my car on the side of the road so I could watch several hundred yards in front of me and behind me. While I was sitting there in my vehicle, my unit, I saw a blue pickup approaching me from behind, a blue Chevrolet pickup occupied by a white male driver, a black male in the passenger seat. The pickup pulled up parallel to my patrol unit and the white male driver started pointing at the black male sitting in the passenger seat. At this time the passenger, the black male, jumped out of the pickup and started running back towards Paran Church Road.

SCHRIEBER: Was it Johnny Fenn?

CRAWLEY: It appears to been (unintelligible) Johnny Fenn.

SCHRIEBER: Okay.

CRAWLEY: I started, I jumped out of my patrol unit and proceeded on foot. As Johnny Fenn came up to uh the intersection, Paran Church Road and Pecosin Road, there was a van parked on the side of the road that he jumped into. The owner of the van was standing outside of the van. Her and her little girl had just got out of the van. I had witnessed them getting out of the van right before he got to it. When he got to the van, he jumped in it. The woman ran up to the van, was reaching in the window, the driver's side of the window trying to pull Johnny Fenn out. And I yelled at her to get back, get away. And she did at that time. At this time, Johnny Fenn had put the van in reverse and backed the van up down the middle of the street where I was. I had to move over to the side of the road to get out of his way. I drew my weapon out and pointed it at Johnny Fenn and ordered him to stop. He ignored my verbal command and placed the vehicle in drive and started heading towards uh Paran Church Road. He turned right on Paran Church Road. By that time Officer Mueller had responded and Officer Mueller was in, was right behind him in pursuit. I had to run back to my patrol unit, which was approximately 100 yards back down the road. I grabbed my unit and proceeded to catch up to the chase. During the chase, I heard Officer Hughes call out that his vehicle had just been rammed by the suspect and that he was not, no longer able to pursue.

SCHRIEBER: Did you see any of that?

CRAWLEY: No, I did not see that. But as I approached the intersection of 231 and Paran Church Road, I saw Officer Hughes standing outside his vehicle and he was waving me on telling me he was okay, for me to continue the pur, in the pursuit of Johnny Fenn in the stolen red van that he had just stolen. They were 231 southbound towards Brundidge. I proceeded southbound on 231. I made contact with the pursuit that the officer's Jimmy Mueller, Sgt. Railey, Pike county Sherrif's deputies were also in pursuit. I made contact with pursuit, 231 South, just north of the Brundidge city limits. At this time we continued heading southbound on 231 and uh I do not know the name of the road but it's where you're approaching the intersection on 231 in Brundidge, there's some Chevron gas station (Unintelligible).

SCHRIEBER: Uh huh.

CRAWLEY: Johnny Fenn, the suspect, avoidedthe intersection and turned into the Chevron Gas Station. Drove a high rate of speed through the parking lot. Officer Mueller had proceeded on up on the way there and tried to block the entrance, the entrance and exit to the gas station to prevent Johnny Fenn from going any further. At which time Johnny Fenn headed straight towards Officer Mueller and rammed him on the front driver's side of his vehicle.

SCHRIEBER: Okay. Did you see that?

CRAWLEY: Yes. I saw that, I was right behind Officer Mueller when this happened.

SCHRIEBER: Okay.

CRAWLEY: I was directly behind Officer Mueller when it happened.

SCHRIEBER: Do you that uh, that Johnny Fenn could have avoided this accident?

CRAWLEY: Yes. He uh, there was plenty of room for him to continue left which would carry him towards the city of Brundidge but he uh headed straight for Officer Mueller's car.

SCHRIEBER: Okay. So in your opinion, if you had to say, would you say that he rammed Officer Mueller's car intentionally?

CRAWLEY: Yes.

SCHRIEBER: Okay. All right. Go ahead.

CRAWLEY: At this time, a Brundidge police officer had gotten directly behind Johnny Fenn's vehicle as they were heading into Brundidge. Officer Mueller (unintelligible) because he did not know the severity of the damage to his vehicle at this time. And at this time I was the second unit in the chase. Johnny Fenn was in the front, a Brundidge police officer was directly behind and I was directly behind the Brundidge police officer. They continued into downtown Brundidge. There again he took, he cut through the intersection by going through the parking lot at the Pinckard's gas station. And at this time he was headed towards Garrett's IGA in Brundidge. I was still the second unit behind him. They passed Garrett's IGA. He turned onto Galloway Road, traveling at extremely high rates of speed. After Galloway Road in Brundidge, I do not know the names of the sides streets we turned off of through the neighborhoods but he continued making lefts and rights. As soon as making these turns he, the stolen vehicle (unintelligible) coming up on two wheels at which time he he had to either make a left or right turn. At one point in the chase by way of the neighborhood (unintelligible) that dead ended into a cul-de-sac. And he proceeded to drive through yards then, uh jumped the curbs, raced through yards and made it to another street with myself and the Brundidge officer still in pursuit. And it's still Johnny Fenn in the stolen vehicle, the Brundidge police officer directly behind it and myself behind the second unit. The trucks, as we were going by this particular street, and like I say I'm not familiar with the names of the streets but ahead of that I saw another Brundidge police officer turning onto the street heading straight towards Johnny Fenn. But Johnny Fenn rammed the first police officer, (unintelligible) Brundidge police officer had come to a stop in the roadway. There was room for Johnny Fenn to go either to the left of the right to avoid the wreck but instead he went in straight head on into the Brundidge police officer. At this time the van became disabled, the head on collision with the Brundidge police officer. I saw the driver's side door open and Johnny Fenn jumped out and started running again. At which time I exited my vehicle and pursued him on foot. We pursued him through some yards, over a fence and uh after going through, we jumped over a fence and I went to the fence uh I lost my footing and slipped down and fell and uh I

~~thought he'd gained too much ground on me so I went back to my patrol unit to start~~ pursuing again in my patrol unit. By the time I caught back up with him, he was in custody of Officer Mueller and Deputy (unintelligible). And they placed him in Deputy (unintelligible) car. He was laid down in the car on his, his (unintelligible) on the back seat of the car with the driver's side door open, the (unintelligible) side door open and he was kicking and yelling. I opened up the passenger side door. I, I yelled at Johnny Fenn to stop resisting, referring to his kicking. At which time he refused and I pulled out my (unintelligible) my mace and I sprayed him. And at that time he, the car doors were shut and he was apprehended.

SCHRIEBER: Okay. All right. Now at the initial time that yall were given this call down at uh Pinckard's Food Mart and yall were responding down there, you knew in fact that you were going after Johnny Fenn. Is that right?

CRAWLEY: Correct.

SCHRIEBER: Okay. Did the dispatcher or anybody come over the radio and advise you of any um felony warrants or felony warrants on Johnny Fenn?

CRAWLEY: Yes. Uh when the first officer's were responding in reference to criminal trespassing the dispatcher came back over the radio and advised me that the suspect did have felony warrants. (unintelligible).

SCHRIEBER: And they were active.

CRAWLEY: And they were current and active.

SCHRIEBER: Okay. All right. I'm going to show you a picture (unintelligible) has the name Johnny Cephus Fenn, Jr. next to the photograph. Is that the fellow that we're talking about?

CRAWLEY: Yes, it is.

SCHRIEBER: And that's the Johnny Fenn that, that you chased and helped apprehend? Is that correct?

CRAWLEY: Correct.

SCHRIEBER: And that's the Johnny Fenn that you saw run and jump into a van uh and, and steal that van he had no legal right to?

CRAWLEY: Correct.

SCHRIEBER: Okay. Anything that I have not asked you about that you feel like you need to tell me about?

CRAWLEY: Nothing I can think of.

SCHRIEBER: End of statement at 1:24 p.m.

This is a theft, first degree, that occurred earlier today. In the room with me at this time is Mr. Cornelius Jermaine Hall, spelling first name, C-o-r-n-e-l-i-u-s, middle name Jermaine, J-e-r-m-a-i-n-e, last name Hall, H-a-l-l. Uh he is fiancé to Ms. Dee Ann Brown and was with her, the victim, at the time that this theft occurred. Uh Cornelius, if you will, first of all, give me your address and your phone number.

HALL: Uh 2339 County Road 2257.

SCHRIEBER: Troy?

HALL: Troy, Alabama.

SCHRIEBER: All right.

HALL: 36079. And my phone number is uh 566-1223.

SCHRIEBER: All right. All right, Cornelius. Now my understand is yall were down in the Pecosins this afternoon or the, late this morning. Is that right?

HALL: Right.

SCHRIEBER: All right, tell me what happened.

HALL: Well we was pulling uh one of my vehicles in that we was going to pull to the shop back there. And we noticed that it was closed when we pulled in so I pulled in beside the road there. And we got back in the van to pull it to the house to see (Unintelligible) tell him I brought the car out there because they were expecting it. And uh at the time when we got back up to the garage I was going to take my battery out of it because if they were having ignition, you know, switch, that's just one of the reasons to get it fixed. And uh I was going to take the battery out of it that I got out of her other car that we were going to bring to the shop.

SCHRIEBER: Uh huh.

HALL: And uh by that time, you know, I was getting ready to go to my car and get ready to get ready to take the hood up and I heard her say stop, no. When I turned around Bug was getting in her car, in the van. You know, like we didn't him, I didn't see him coming (unintelligible). But all I heard was she was saying stop, no. I turned around. And that's when I went headed back towards the van. I got to the door and by that time he put it in reverse. And he was pulling off. I opened the door. You know, he sort of dragged me a little bit so I let it go. And I was just telling them, you know, hey get out of the way, get out of the way. Just cause where the police was cause I thought he had drawn his gun. And, you know, it was just, just like that happening.

SCHRIEBER: Uh huh.

HALL: You know, he put it in reverse. Drug me a little bit. I let it go. He took off.

SCHRIEBER: Okay. All right. You said Bug. Now who is Bug?

HALL: That's what we call him. His name is Johnny Fenn.

SCHRIEBER: Johnny Fenn.

HALL: We know him real good because Johnny Fenn's uh my fiance's grandfather married his mom.

SCHRIEBER: Right.

HALL: And we already been told by him a million times don't even go his way or don't, if he (unintelligible) leave, whatever, cause you don't want to fool with him.

SCHRIEBER: Uh huh. But you know him when you see him?

HALL: Yeah, I know him. I know him.

SCHRIEBER: Okay. And this fellow that got in this van, there's no doubt in your mind it was Johnny Fenn?

HALL: Johnny Fenn.

SCHRIEBER: All right, a hundred percent sure.

HALL: A hundred percent.

SCHRIEBER: Okay.

HALL: I've been knowing him since we were little.

SCHRIEBER: Okay. Was the van already running when he got in?

HALL: Yeah, it was running because like I said she pulled right up to, to my car.

SCHRIEBER: Uh huh.

HALL: So I could get my battery out and just get back in the car and pull off.

SCHRIEBER: Okay. All right. At any time, did you see Dee Ann give him permission to get in that van?

HALL: No. No. No.

SCHRIEBER: Did you see him ask if he could have the van?

HALL: No. It was not that, but I know she wasn't going to give it to him because the granddaddy would have had a fit.

SCHRIEBER: Yeah. Does, does, had he ever driven that van around?

HALL: No, no.

SCHRIEBER: Okay. Does he and Dee Ann have anything to do with each other?

HALL: Nah. Uh uh.

SCHRIEBER: (unintelligible) So from what you saw, he jumped in that van and he left. Didn't have permission?

HALL: Not at all.

SCHRIEBER: Okay. Did he threaten anybody?

HALL: Not as far as his, no. Cause I, myself and the cop wouldn't have been saying get out of the road. He might have even ran over us or she (Unintelligible) trying to get to the door (Unintelligible) but he had locked it.

SCHRIEBER: Okay.

HALL: You know, and I just told her to get out of the way. Because he might have would have ran over her or the cop would have shot his gun, you know, you never know so.

SCHRIEBER: Right. But now you, you stated a minute ago that you noticed he had his gun drawn. Now you're talking about the police officer, right?

HALL: Yeah, yeah.

SCHRIEBER: But as far as you know, did you see any weapons on Johnny?

HALL: No, no, no. Cause he didn't have a shirt on or anything like that, you know. I couldn't see no weapon. It happened so fast like I said when I turned around, he was already getting in the van, you know.

SCHRIEBER: Okay.

HALL: I so.

SCHRIEBER: All right. And he took off and left and the police took off after him?

HALL: Yeah, yeah.

SCHRIEBER: Okay. All right. Anything else you want to tell me I haven't asked you?

HALL: Nah, that's basically it, you know. All I (Unintelligible).

SCHRIEBER: All right. End of statement at 2:07 p.m.

STATEMENT OF DEE ANN BROWN

Statement taken on October 3, 2004

Transcribed on October 19, 2004

Detective ~~Greg Wright~~ Schrieber
CN0410-0292

SCHRIEBER: It is October the 3rd, in the year 2004, at approximately 1:49 p.m. I'm located at the public safety building in reference to CN0410-0292. In the room with me at this time is Ms. Dee Ann Brown. Spelling her name is D-e-e, middle name Ann, A-n-n, last name Brown, B-r-o-w-n. Uh she is the victim in the case which is a theft, first degree. Now Dee Ann, if you will, state your address and your phone number for me.

BROWN: Okay. My address is 2339 County 2267, that is Troy, Alabama. My phone number is 566-1223.

SCHRIEBER: Okay. Now tell me what happened today.

BROWN: Okay um me and my fiancé and my son was going to visit Mr. Tommy Edwards who is (unintelligible) my grandfather (unintelligible). We were uh dropping one vehicle off at his garage.

SCHRIEBER: Where is his garage at?

BROWN: On Pecosin Road.

SCHRIEBER: Okay.

BROWN: Then we dropped that vehicle off or whatever to Mr. Edwards trailer to knock on the door to let them know that we dropped the vehicle off. Once leaving out of Mr. Edward's uh home driveway, we pulled back up into the garage driveway.

SCHRIEBER: Uh huh.

BROWN: (unintelligible) waiting for my fiancé to take his (unintelligible) out of their car so it could be taken back home with us since it was left outside on the property instead up in the garage.

SCHRIEBER: Uh huh.

BROWN: Uh when later turned around, I seen the officer coming on Pecosin Road.

SCHRIEBER: Let me interrupt you. Is this going to be the Pecosin Road or Paran Church Road. Do you know what, do you know the difference?

BROWN: No sir.

SCHRIEBER: All right. The Pecosin Road leaving the Pecosins from the Swindall Road.

BROWN: Yes sir.

SCHRIEBER: The Paran Church Road is the one that turns off 231 and goes back into the Pecosins.

BROWN: Okay. My directions came up 231.

SCHRIEBER: Uh huh.

BROWN: I made the right onto that road.

SCHRIEBER: That's the Paran Church Road.

BROWN: Okay. From there,

SCHRIEBER: Uh huh.

BROWN: I wind down that road (unintelligible) around.

SCHRIEBER: Uh huh.

BROWN: There's uh a paved road on my left hand side. I take that first paved road.

SCHRIEBER: Okay.

BROWN: I'm not sure, I thought it was Pecosin Road.

SCHRIEBER: Okay. You take the first paved road to the left?

BROWN: To my left, yes sir.

SCHRIEBER: Okay. And that, if I'm not mistaken, and that road does come out on the

Swindall Road. So that would be the Pecosin Road there. Okay. I'm sorry. Go ahead.

BROWN: All right. Um like I said, I seen the officer coming onto the property, you know, onto Pecosin Road, which there was already one that had already been riding back and forth.

SCHRIEBER: Uh huh.

BROWN: And I thought the officer was there thinking we were playing around.

SCHRIEBER: Uh huh.

BROWN: But later found out that they was out there looking for someone. Well shortly after finding that out, the officer jumps out of his vehicle that is to my left further down, like uh about a good feet away from me. He notices that uh the man that was coming out of his driveway had Johnny Fenn in his vehicle. Johnny jumped out of that vehicle towards, towards us. Uh like I said, I'm hearing the officer screaming by then saying stop, stop. I move out of the way. I don't know if he was telling us to move out of the way or if he was trying to talk to Johnny Fenn.

SCHRIEBER: Uh huh.

BROWN: By then Johnny Fenn had jumped into my van. I ran to the driver's side, (unintelligible) get out of my van. He (unintelligible) passenger truck outside trying to stop him. By then I'm (unintelligible) please get away, get away. They was trying to stop Johnny and the van. Johnny attempted to back the van up. He, he could have hit the officer. The officer met him, then in return Johnny took the uh van out of reverse back up into park (unintelligible) head on, leaving off of Pecosin Road. Making a right, which that road that leads you back out onto 231.

SCHRIEBER: Okay.

BROWN: From there I don't know what happened.

SCHRIEBER: Okay. What kind of van is it?

BROWN: Uh I want to say a 1995 Econo Ford van.

SCHRIEBER: Ford Econo van?

BROWN: Yes sir, and it's burgundy in color.

SCHRIEBER: All right. Now this is the, the van that you drive?

BROWN: Yes sir.

SCHRIEBER: Okay. Now I understand that, that this kind of belongs in the family. It's not necessary registered to you.

BROWN: (unintelligible)

SCHRIEBER: But it's, for all intents and purposes it's your van?

BROWN: It's my van, right.

SCHRIEBER: And you use it every day?

BROWN: That's right.

SCHRIEBER: And you, you decide what gets done to it what doesn't.

BROWN: That's right.

SCHRIEBER: Okay. All right.

BROWN: My grandson (unintelligible) is the owner but he will also tell you (unintelligible). I drive that van. It's mine because my two vehicles (unintelligible). I've been driving it even while my mother was paralyzed. I am on the insurance. It's just not registered saying Dee Ann Brown exactly.

SCHRIEBER: Okay. All right. Now the person that jumped in the van. You, you call him Johnny Fenn.

BROWN: Uh huh.

SCHRIEBER: And you know for a fact that it's Johnny Fenn?

BROWN: Yes. Um

SCHRIEBER: How do you know him?

BROWN: Johnny would be my, he's my uncle by marriage.

SCHRIEBER: He's your uncle by marriage?

BROWN: My grandson is William (unintelligible) married Johnny Fenn's mother, Ada McCloud (Unintelligible).

SCHRIEBER: Okay. All right. So you know Johnny when you see him?

BROWN: Yeah, I know him by Bugs but today, I, I screamed out his name, Johnny Fenn.

SCHRIEBER: But, but Bugs is his street name?

BROWN: Yes, that is correct.

SCHRIEBER: And so you have no doubt in your mind whatsoever it was Johnny Fenn.

BROWN: I know, one hundred percent.

SCHRIEBER: Okay.

BROWN: One hundred percent.

SCHRIEBER: And he had no right to your vehicle.

BROWN: Not at all.

SCHRIEBER: Does he, does he ever use your vehicle?

BROWN: Never. I, I wouldn't, if he, if he was hungry I wouldn't invite him into, in the table for a plate.

SCHRIEBER: Okay. All right. But, so the only, the only thing that you've got is, with him, is through marriage. Do you associate with him at all?

BROWN: Not at all.

SCHRIEBER: Okay. So you know who he is. You've been around him before but you, you try not to be around him. Is that what you're saying?

BROWN: I respect that by the marriage I'm (unintelligible) to him, but otherwise it's just high and bye. Just as if I see him in the streets I put my hand up to you with respect. That's all.

SCHRIEBER: Okay. Okay. All right. And he didn't ask you to use your van?

BROWN: Not at all.

SCHRIEBER: He didn't, you didn't give him the keys to the van?

BROWN: No sir.

SCHRIEBER: All right.

BROWN: No conversation whatever. Everything happened so quickly. We seen him jump out of one truck, charge towards us.

SCHRIEBER: Okay. When you and your friend uh tried to stop him from driving off, were, were the doors closed at that time?

BROWN: The driver's side door was. My youngest baby had just jumped out of the van after hearing us screaming and hollering. Cornelius went to grab him, the passenger side.

He drug Cornelius a good feet if not more than that before Cornelius jumped off because when he first put the van in reverse, he could have went straight on up into a fence where there were weeds at.

SCHRIEBER: Uh huh.

BROWN: So uh (unintelligible) he could have got on up in the van but as fast as he was going, next thing but to do just jump off.

SCHRIEBER: Okay. All right. Now you said your baby got out of the van. Uh how old is your baby?

BROWN: He's seven years old.

SCHRIEBER: Seven. Was he in the van when Johnny got in it?

BROWN: He was in there but I'm, I'm so strict about telling my son do not leave, stay, stay seated.

SCHRIEBER: Uh huh.

BROWN: And I, I noticed as, you know, he's hearing us and (unintelligible) excitement for any child.

SCHRIEBER: Uh huh.

BROWN: He looks to see if something is going down the road so yes, that's how Johnny was able to slam that door. My son was just jumping out.

SCHRIEBER: Okay. So they kind of got in and out at the same time.

BROWN: Same time, right.

SCHRIEBER: Okay, all right. Um and then your fiancé, you said?

BROWN: Yes sir.

~~SCHRIEBER: Was, was actually holding onto the van when it started taking off.~~

BROWN: When it went into reverse,

SCHRIEBER: Okay. All right. Did, did Johnny, did you and Johnny touch each other in any way?

BROWN: Yeah, I struck him right down his chest. That was after he was trying to pass me. I was (unintelligible)

SCHRIEBER: Before he got to the van.

BROWN: We were right there at the van.

SCHRIEBER: Okay.

BROWN: Cause once I, I could see him. He was running towards me like, like we're playing football.

SCHRIEBER: Uh huh.

BROWN: And I'm asking him what's going on (unintelligible) I see the officer had his gun drawn.

SCHRIEBER: Uh huh.

BROWN: (unintelligible) saying to me it's nothing going on. I'm, that I'm not involved in.

SCHRIEBER: Uh huh.

BROWN: So I'm not going to be an innocent bystander.

SCHRIEBER: Uh huh.

BROWN: So I told, I'm telling Johnny no, where you going Johnny. I said, no excuse me, I did not call him Johnny. I said Bug, what are you doing. And then after I see he's already grabbing the door, I tell him Bug, get the hell off of my van.

SCHRIEBER: Uh huh.

BROWN: And by then I'm, the door is already closed. I'm knocking up against the glass and the door itself.

SCHRIEBER: Uh huh. So you try to prevent him from getting in the van.

BROWN: In there, right.

SCHRIEBER: Okay. All right. And you weren't injured in any way?

BROWN: No.

SCHRIEBER: Did he strike you in any way?

BROWN: No.

SCHRIEBER: Okay. Did he threaten you in any way?

BROWN: No, he didn't say nothing.

SCHRIEBER: Okay.

BROWN: It's just, just to look at his eyes and his appearance like he was going through something.

SCHRIEBER: Uh huh. Did uh, did you see any weapons, other, other than the police officer's?

BROWN: No sir. But uh by speaking to the other neighbors and to finding out how Johnny was even over there, he tried taking another, I guess you'd call it a neighbor's weapon off of them from, in the Pecosin area. I guess to use it towards the police.

SCHRIEBER: Uh huh. Okay.

BROWN: But that neighbor did uh manage to take the uh rif, the, rifle, take the rifle out of Johnny's hand.

SCHRIEBER: Okay.

BROWN: By then I guess that's when he knew that something was going on.

SCHRIEBER: Okay. Anything else that you think you need to tell me that I have not asked you about?

BROWN: No sir.

SCHRIEBER: Okay. All right then. End of statement at 1:59 p.m.
